SYMPHONY ORCHESTRA

Application for the Lindsey Purcell Bursary

Please complete this form to register your application for the Lindsey Purcell Bursary, and email the completed document to information@crso.org.uk. Lindsey was passionate about providing students with as many musical experiences and opportunities as possible, and the bursary which the CRSO has set up in her name provides one student under the age of 18 with a valuable opportunity to play in a full symphony orchestra. The bursary pays for a CRSO membership subscription for a year, funded by a legacy donated in memory of Lindsey.
